Parker Hancock, Warden
State Prison
Concord, New Hampshire

Dear Warden Hancock:

In reply to your inquiry of March 9 as to whether you have authority to receive federal prisoners sentenced to confinement by a federal court other than the federal district court within this state, please be advised that it is my opinion that you do not have such authority under our present law. R. L., c. 461, s. 16 —read with R. L., c. 464, s. 11 —indicates that legislation will be required if you are to accept federal prisoners sentenced from outside New Hampshire.

Sincerely,

Louis C. Wyman
Attorney General
